LONDON

The Peri-Implant Interface Around/On Intramucosal Implants Restorative and Surgical Masterclasses

Dr. Adeel Ali | Dr. Shawqi Al-Hashemi | Dr. Aman Bharti
Dr. Pavan Bopanna | Dr. Simon Chard | Dr. Stefano Conti
Dr. Luca De Stavola | Dr. Kish Kumar | Dr. Sanjay Sethi

3RD – 4TH SEPTEMBER 2021

**THE PERI-IMPLANT INTERFACE AROUND/ON INTRAMUCOSAL IMPLANTS
RESTORATIVE AND SURGICAL MASTERCLASSES**

30 Euston Square, London NW1 2FB, United Kingdom

SPEAKER

Dr. Adeel Ali

After obtaining his Diploma of Membership of the Joint Dental Faculties of England (MJDF RCS) of the Royal College of Surgeons, Dr. Ali began surgical training under the guidance and mentorship of Professor Hilt Tatum – a pioneer in implant dentistry who invented the sinus bone graft procedure in 1975. Dr. Ali has since performed many surgical procedures with Professor Tatum, including learning the innovative sinus grafting technique. His expert training under some of the dental industry's most prominent professors, such as the pioneer of the dental implant, Professor Hilt Tatum and the globally renowned dental implant surgeon

Professor Istvan Urban, is a testament to his place as a leading light in transformative dentistry.

Dr. Shawqi Al-Hashemi

Mr. Al-Hashemi holds two degrees, dental and medical. He has delivered many lectures to general dental and medical practitioners nationally and internationally. He actively contributes to teaching and publications. After qualifying in 1998, Mr Al-Hashemi completed his dental training in general practice and implant placement before entering the NHS hospital service. He has worked in Oral and Maxillofacial Surgery units across Ireland and the UK and currently works part time at Mid Essex NHS trust. He was awarded the prestigious memberships from the Royal College of Surgeons of England and Ireland, followed by a Fellowship

in Oral Surgery and Oral Medicine from the Royal College of Surgeons of Ireland in 2005. He also holds a Diploma in Dental implant from the Royal College of Surgeons of Edinburgh.

In 2009 he was awarded a medical degree from Barts and the London University to pursue a career in Maxillofacial Surgery. He is the founder of INB Association and holds regular meetings, seminars and is a key speaker at conferences. He is the owner of Mulberry Clinics, provider and performer of complex oral Surgery service in Essex. He accepts referrals from dental and medical practitioners, as well as mentoring professionals. He is a clinical mentor for the Diploma in Minor Oral Surgery for the Royal College of Surgeons of England where he teaches dentists surgical and dental implant procedures. His area of expertise is to carry out complex oral surgery and dental implant procedures, in particular immediate loading from single units to full arches.

Dr. Aman Bharti

Aman is the owner of Headrow Dental, a multi award winning private practice in Leeds City. Passionate about aesthetic dentistry and occlusal studies, Aman is the lead tutor on the Headrow Academy Restorative programme. His particular area of interest is crown and veneer work using the B.O.P.T preparation technique. Aman has been involved in teaching for many years as a foundation trainer and a mentor for the MJDF Diploma.

3RD - 4TH SEPTEMBER 2021

THE PERI-IMPLANT INTERFACE AROUND/ON INTRAMUCOSAL IMPLANTS RESTORATIVE AND SURGICAL MASTERCLASSES

30 Euston Square, London NW1 2FB, United Kingdom

SPEAKER

Dr. Pavan Bopanna

Pavan Bopanna is an experienced Implant dentist who focuses on Implant and Restorative dentistry. He completed the Diploma in Implant Dentistry from the Royal College of Surgeons of England at the advanced level and a Master's degree in Aesthetic and Restorative Dentistry.

He focuses on digital dentistry and model free implant dentistry reducing wastage and pollution. Pavan is a principal dentist at The Butts Dental Practice in Brentford, West London. He is a course director of the Diploma in Advanced Implant dentistry at the academy of practical advanced dentistry (PAD-Academy)

Dr. Simon Chard

Dr. Simon Chard is an award-winning cosmetic dentist, international lecturer and Vice President of the British Academy of Cosmetic Dentistry. Based just outside of London, he co-owns Rothley Lodge Dental with his wife Dr. Meghan Chard, where he practices minimally invasive restorative dentistry utilising cutting edge technology and techniques. He is also a co-founder of PärLa Toothpaste Tabs, an eco-friendly and plastic free oral health care brand that is disrupting the toothpaste market. As well as being the host of the One Small Change Podcast - interviewing world class guests on health, wealth, happiness and spirituality.

Dr. Simon was voted the 2015 Best Young Dentist UK at the prestigious Dentistry Awards and in 2020 was selected the 4th most influential dentist in UK dentistry as voted by the profession in Dentistry Magazine. He is a key opinion leader for digital dentistry and lectures internationally on digital workflows in cosmetic, orthodontic and implant dentistry. As a prominent cosmetic dentist in the industry Dr. Simon has also been featured on Dragons' Den, Sky and channel 5 News, as well as in British GQ, The Times and Men's Health.

He has lectured extensively internationally. He is a full member and Past President of the British Academy of Aesthetic Dentistry, an active member of the European Academy of Esthetic Dentistry and is also a member of the ADI. Both Sanjay and his brother Nik run independent courses and also are directors of the Aesethix education program.

3RD - 4TH SEPTEMBER 2021

THE PERI-IMPLANT INTERFACE AROUND/ON INTRAMUCOSAL IMPLANTS RESTORATIVE AND SURGICAL MASTERCLASSES

30 Euston Square, London NW1 2FB, United Kingdom

PROGRAM

Multiple factors interact with the peri-implant tissue, influencing long-term stability and aesthetics outcome such as tissues quality, implant abutment interface (microgap), design of the implant, surgical and prosthetic procedures.

The event will focus on the restorative/surgical aspects and uniqueness of the Prama convergent neck, designed to work in synergy with biologic factors in achieving long term aesthetics. Biodynamic Soft Tissue shaping, 3D positioning, defined and appropriate emergence profiles with an accurate analysis of STA around implant supported restorations will be thoroughly discussed.

DAY 1 - RESTORATIVE

- 01.30 pm** Registration & Welcome
- 02.00 pm** **Dr. Aman Bharti**
Utilising the collar for greater prosthetic freedom
- 02.40 pm** **Dr. Simon Chard**
Prama digital workflow & chairside restorations. Place to restore
- 03.20 pm** **Dr. Pavan Bopanna**
100% Digital. cement retained, screw retained, or conometrics
- 04.00 pm** Break
- 04.30 pm** **Dr. Stefano Conti**
Deliver aesthetics. mastering morphologies and adaptive profiles.
Biodynamic Soft Tissue Shaping Concept
- 06.00 pm** **Dr. Simon Chard, Dr. Sanjay Sethi, Dr. Aman Bharti, Dr. Stefano Conti**
Panel discussion
- 06.20 pm** Conclusion & Drink Reception

3RD – 4TH SEPTEMBER 2021

**THE PERI-IMPLANT INTERFACE AROUND/ON INTRAMUCOSAL IMPLANTS
RESTORATIVE AND SURGICAL MASTERCLASSES**

30 Euston Square, London NW1 2FB, United Kingdom

PROGRAM

DAY 2 - SURGICAL

09.00 am Registration & welcome

09.30 am **Dr. Sanjay Sethi**

New concept, new journey: learning curve & practical tips.

10.15 am **Dr. Adeel Ali**

The benefits of intramucosal design for implant positioning in FP1 treatments.

11.00 am Break

11.30 am **Dr. Kish Kumar**

Enhancing predictability through the use of digital technologies.

12.15 am **Dr. Shawqi Al-Hashemi**

Post-Extractive implant: evaluation of the critical aspects and challenges.

01.00 pm Lunch

02.00 pm **Dr. Luca De Stavola**

Part 1 Modern concepts in bone augmentation: hard & soft tissue MGMT.

03.30 pm Break

04.00 pm **Dr. Luca De Stavola**

PART 2 Modern concepts in bone augmentation: hard & soft tissue MGMT.

05.00 pm **Dr. S. Sethi, Dr. A. Ali, Dr. K. Kumar, Dr. S. Al-Hashemi, Dr. Luca De Stavola**

Panel discussion

05.30 pm Conclusion

07.00 pm Gala Dinner (Optional)
